WHY TRANSFORMING FURNITURE?

CUSTOM TAILORED

Our transforming furniture package is tailor-made to your studio's exact floor plan and aesthetic. These contemporary furnishings integrate seamlessly with the clean lines and architectural design of your Revo Kelowna studio.

TURNKEY

The turnkey furniture package includes everything you need to feel right at home from the day you move in.

BUILT-IN FLEXIBILITY

Sofa wall beds, and streamlined storage solutions effortlessly take your studio from day to night, unfolding new possibilities for your space. Enjoy the comfort of both a queen-sized bed and a sofa, and keep belongings out of sight with a sleek built-in closet and cabinetry system.

SOFA / MURPHY BED

From a line of luxury wall beds, the Sofa / Murphy Bed effortlessly transforms from a bench-seat sofa to a queen bed, complete with a premium memory foam mattress, upholstered headboard, and interior lighting. Featuring a soft-open/close, and a safety locking mechanism, your Sofa / Murphy Bed transforms in seconds with the simple pull of a lever.

CABINETS & CLOSET SPACE

One of the biggest hurdles in space-conscious living is lack of storage. Stay organized with expertly-designed, dynamic cabinetry and closets. These custom-configured storage solutions were measured, designed, and produced with your specific layout and square footage in mind, providing a focused, easy-to-maintain space for you and all of your items.

HOME OFFICE

A streamlined cabinet and workstation in one, the Home Office instantly hides unsightly office clutter to keep work out of sight and out of mind. Equipped with motion sensor LED lighting and wire management, this piece transforms from a generous desk to a modular cabinet, designed to pair seamlessly with your wall bed, closets, and cabinetry.
